## 6. UNFINISHED BUSINESS

6.1 Non-Profit Filing L. Tupper

Due to the pending status we have not gone out aggressively on fundraising, gala event, homecoming BBQ, etc. All events are dependant on filing completion.

**Correspondence from IRS stating they received and it is under review.**

**Team is requesting L. Haring follow-up with IRS.**

6.2 Letter heads, Logos, Campbell Symbols, etc. – Members decided to adopt John's logo and explanation as the one for the foundation. Dr. Awakuni suggested that the seal be dedicated at the new complex. This will perpetuate the symbol and the explanation of the logo. Once the non-profit is complete all copy rights will be pursued, resulting in a fee for all usage of the seal. Notification on the website will be posted once everything is complete to let possible users know.

**Barbara will be following up with Rowena Martinez to get on the agenda for Student Activities Council (SAC) and Student Community Council (SCC) to present official seal, so current adoption and policy approval can occur. This is the process explained by Gail and team agreed to pursue.**
